

Native Forest® Organic Baby Corn is sustainably grown according to principles of organic agriculture. Our farmers harvest their premium organic corn while it is young and tender. We shuck and blanch the baby corn, then pack it promptly in water with just a little salt and citric acid. Our mission is to offer you the most delicious and healthful baby corn, while renewing the fertility of soil using time-tested, organic practices.

You and your family will love the convenience and flavor of Native Forest Organic Baby Corn: naturally sweet, tender and delicious. The quality that you see and taste is only a hint of the care behind every Native Forest product. Enjoy!

Directions: Drain, rinse and serve.

Serving Suggestions: Toss in salad. Add to soup or stir fry.

Refrigerate unused portion and enjoy within four days.
