The Story of Baked Brown Rice Snaps®

In 1978, Edward & Sons introduced the world's first baked brown rice snaps, pioneering a generation of "better-for-you," gluten-free crackers. Unsalted Plain Brown Rice Snaps are crafted from only one ingredient: certified organic whole grain rice, retaining its bran and germ where most of the fiber, vitamins and minerals reside. Scrumptious for snacking straight from the package, these deliciously crisp crackers are elegant enough for entertaining. Serve them with your favorite dips or top them with spreads to complement any event.
Savor simplicity™, with Edward & Sons' Baked Brown Rice Snaps.

Ingredients: Organic Whole Grain Brown Jasmine Rice.
