

More Than Fair® Organic Coconut Milk brings rich and creamy goodness to classic regional dishes. A staple of Asian and Caribbean cuisines, it is delicious in soups, curries, sauces, desserts and beverages.

Why do we brand our coconut milk as **More Than Fair®**? To begin, we partner with farmers whose certified organic practices reject chemical pesticides, nurture soil and promote biodiversity. We contract with Fair Trade Sustainability Alliance (**FairTSA**) to support farming communities and confirm they receive premium payments, which **the farmers** decide how best to spend. Finally, **USDA Organic** and **Non-GMO Project** certifications work in concert to promote sustainable agriculture practices and avoid GMOs, delivering wholesome goodness to you and your family. Fair Trade is good. **More Than Fair®** is simply better.

Shake well before using.

Refrigerate unused portion and enjoy within 4 days. Coconut milk naturally separates when cold. To restore a smooth consistency, place this container in a bowl of hot water and stir contents well.

More Than Fair® is a trademark of Edward & Sons Trading Co., Inc. The Coconut People®

We are a family-owned, vegetarian company offering Convenience Without Compromise®... since 1978.

Organic certification prohibits the use of GMOs and other unwelcome ingredients. Choosing organic foods benefits our farmers, our families and our planet.
