

**Delicious as a sweet dessert  
or a healthy snack.**

Native Forest® Organic Pineapple Chunks are conscientiously grown and packed according to principles of organic agriculture. We select the best of these ripe organic pineapples, then cut and pack the fruit in its own juice at the peak of freshness. You will love their great taste: consistently sweet, tart and delicious. The quality that you taste is only a hint of the care behind this and every Native Forest product.

Serving Suggestions: Enjoy Organic Pineapple Chunks straight from the can as a sweet dessert or healthy snack. They make perfect additions to fruit salads and they're great in smoothies too!

Chill before serving. Refrigerate unused portion in a covered glass or plastic container and enjoy within 4 days.

Organic certification assures you of sustainable farming practices, which nourish soil, protect biodiversity and provide a premium to farmers. Consistent with our company policy, organic certification also prohibits the use of GMOs, artificial colors, preservatives and other unwelcome ingredients.
