

**Native Forest® Organic Pineapples** are sustainably grown and packed according to principles of organic agriculture. Organic

farms nourish soil, promote biodiversity, provide a premium to farmers and produce some of the tastiest fruit in the world. We select the finest, field-ripened organic pineapples, then cut and pack the fresh fruit in its own organic juice. Nothing is added or removed. Consistently sweet, naturally tart and always delicious: the quality that you taste is a hint of the care behind this and every Native Forest product.
