

Native Forest® Organic Peaches are harvested at peak ripeness, then sliced and packed in organic fruit juice. We believe organic farming yields the most delicious and healthful natural fruits, while benefiting our environment, our farmers...and all of us.

You and your family will love the great flavor of Native Forest Organic Sliced Peaches: consistently sweet, tender and delicious. The quality that you taste is only a hint of the care in this and every Native Forest product. Enjoy!

Serving Suggestions: Pack Organic Peaches in lunchboxes for a healthy sweet treat. Add them to fruit cocktails and blend in smoothies. Heat them gently and serve warm atop your favorite frozen dessert.

Chill before serving. Refrigerate unused portion in a covered glass or plastic container and enjoy within 4 days.

USDA organic certification is your assurance that our farmers and packers fully comply with USDA organic standards.

Their sustainable farming methods nourish the soil and encourage biodiversity, while also prohibiting GMOs and other unwelcome materials.
