Let's Do Organic® GREEN BANANA FLOUR -ORGANIC-

To create **Let's Do Organic® Green Banana Flour**, we begin with fresh, young bananas from organic orchards. We pick and peel the unripe organic bananas before their sugar content has fully developed, then dry them at low temperatures to retain the benefits of their nutrients and resistant starch. Finally, we mill them into a gluten-free flour, boasting a slightly sweet and wholesome taste. Cooking with **Let's Do Organic® Green Banana Flour** imparts a smooth texture and subtle, delicious flavor to breads, pancakes, pastries, pasta and more.

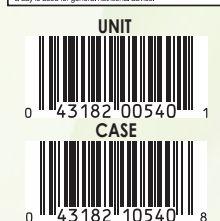

- USDA Certified Organic
- Gluten free
- Vegan
- Kosher
- Paleo-friendly
- Source of resistant starch (RS2)
