# ORGANIC YOUNG JACKFRUIT

#V869

#V880

**Native Forest® Organic Young Jackfruit** is grown by dedicated Sri Lankan farmers and harvested before its starch changes to sugar. Its fleshy interior and mild taste make an excellent base to carry the flavor of your favorite seasonings and star in your culinary creations. As it cooks, young jackfruit naturally shreds into the ideal structure for meatless pulled-pork and chicken-style recipes.

# Organic Young Jackfruit

## • ORIGINAL •

PREPARE & SERVE  
RECIPE ON BACK

We have packed this **Original** variety of organic young jackfruit the traditional Sri Lankan way: in filtered water with a little organic lime juice and salt. It's an excellent vegan option for people who enjoy the texture of meat in their plant-based recipes.

## • SODIUM FREE •

PREPARE & SERVE  
RECIPE ON BACK

We have packed this **Sodium-Free** variety of organic young jackfruit in filtered water with no other ingredients. It's an excellent vegan option for people who enjoy the texture of meat in their plant-based recipes.
