MISO-CUP® INSTANT SOUP

Miso, one of Asia's most important foods, was first enjoyed in China more than two thousand years ago. Buddhist monks brought this versatile soyfood to Japan, where it evolved into the delicious miso soup we enjoy today.

Originally reserved exclusively for nobility, miso is now a treasured staple in homes and kitchens throughout Asia. Thanks to its wonderful flavor and unique nutritional profile, miso soup has become a featured menu item in sushi bars and Japanese restaurants around the world.
