

On the beautiful island nation of Sri Lanka, dedicated family farmers tend hundreds of acres of certified organic coconut palms. Their organic stewardship increases their income, nourishes healthy soil and encourages biodiversity. We press the meat of their fresh organic coconuts, yielding rich coconut cream that we blend with pure, filtered water and nothing more. Delicious in soups, curries, sauces, desserts and beverages, **Native Forest® Organic Simple Coconut Cream** imparts wholesome, creamy goodness to smoothies, non-dairy treats and classic regional dishes. Enjoy!
