ORGANIC GLUTEN FREE STARCHES

Tapioca is an ancient and versatile starch derived from the root of the cassava or yuca plant. Native to South America and the West Indies, tapioca was enjoyed by the Mayans, who were the first to harvest cassava.

Cornstarch is a wonderful thickening and stabilizing agent, perfect for making gravy, sauce, custard and so much more! Let's Do Organic® Cornstarch has twice the thickening power of flour. When a recipe calls for flour, use half as much organic cornstarch to thicken your recipe.
