## UNSWEETENED ORGANIC COCONUT MILK TURMERIC

In Sri Lanka, hundreds of acres of certified organic coconut palm trees are tended by dedicated family farmers. Their organic stewardship enhances biodiversity, increases their income and nurtures the region's ecology. We press the meat of their fresh organic coconuts to yield an oil-rich extract and enhance it with local organic turmeric, a versatile superfood. **Native Forest® Organic Turmeric Coconut Milk** is delicious in soups, curries, sauces, and beverages, lending its creamy goodness to smoothies, non-dairy specialties and classic regional dishes. Enjoy!
